1. The public hearing was called to order by James Browning, Board President, at 5:30 p.m. on Tuesday, July 24, 2018.
2. Mr. Browning moved into review of the Operating Permit application for Toby Clabaugh. He asked the General Manager to present the application. The General Manager then explained that Toby Clabaugh applied to operate one (1) water well for water sales. The total usage applied for was 78,314,400 gallons or 240.34 acre-feet annually.

Larry Dorman moved and Ray Davis seconded the motion to recess the public hearing at 6:40 p.m. The motion passed unanimously of those present. Scott Yarnell moved and Ronny McMillan seconded the motion to reconvene the public hearing at 7:06 p.m. The motion passed unanimously of those present.

Based on the presented information and the fact that the application had met all of the requirements of the District Rules and Chapter 36, TWC, the General Manager recommended that the Board approve the application with the condition that the District may adjust the amount of groundwater authorized to be produced pursuant to this permit based on the impact of the production from this well on the hydrogeologic conditions in the area of the well and/or any existing wells. To assist in this, monthly production reporting is required. Jim Payne moved and Ray Davis seconded the motion to approve the Operating Permit for Toby Clabaugh. The motion passed unanimously of those present.

3. Mr. Browning moved into review of the Operating Permit applications for Jeff Krumpelbeck. He asked the General Manager to present the application. The General Manager then explained that Jeff Krumpelbeck applied to operate two (2) water wells for water sales. The total usage requested for each well was 37,317,600 gallons or 114.53 acre-feet annually.

Based on the presented information and the fact that the application had met all of the requirements of the District Rules and Chapter 36, TWC, the General Manager recommended that the Board approve
